Web Announcement 2569

Attention Provider Type 19 (Nursing Facility):

State Fiscal Year 2022 Quarter 1 Rate Updates Implemented

On August 4, 2021, the State Fiscal Year (SFY) 2022 quarter 1 rate updates were implemented in the Medicaid Management Information System (MMIS) for free-standing nursing facilities for standard bed day services. The impacted provider type is 19 (Nursing Facility). The updated rates are effective on claims with dates of service on or after July 1, 2021.

Any claims submitted by PT 19 with dates of service on or after July 1, 2021, that paid the previous rates will be automatically reprocessed to adjudicate with the SFY 22 quarter 1 rates. A future web announcement and remittance advice message will report the results of the reprocessed claims.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
